presented by

DTE Foundation

DATE & TIME

Thursday, October 15, 2020

12:00 pm - 1:30 pm

For generations Belle Isle has served our community as a place for recreation, connection, restoration, and reflection. The events of 2020 have amplified the importance of Belle Isle and the work of the Conservancy, which is rooted in a community passion to protect, preserve, restore, and enhance Belle Isle for the enjoyment of all - now and forever.

While this year has no doubt been a dynamic and difficult one, Belle Isle endures as a community asset we all cherish for different reasons. For some it's where you go to build lasting memories. For others it's where you go to heal physically, mentally, or emotionally. And for others, it's where you go to simply breathe in the fresh air and enjoy the outdoors.

Zoom in and join the Belle Isle Conservancy, along with a host of special guests, as we celebrate "Detroit's Island Jewel" for the 16th Annual Polish the Jewel Belle Isle Legacy Luncheon.

Attendees will receive a picnic basket filled with goodies to accompany the virtual program and to use at Belle Isle. Pick up locations to be announced.

BENEFACTOR TICKETS

Opal \$300

Amethyst \$500

Pearl \$1,000

Table \$2,500

PATRON TICKETS

Individual \$150

Table \$1,500

RSVP by September 30th
